

Thanks so much for your interest in **Cheap Therapy**. Even though we now partner with more than 800 galleries, book stores and other shops across the US, I still consider this a very small business. It's genuinely a labor of love.

Because of the way the M.S. in my body limits my energy (*NOT a sad story!*); my biggest challenge is finding and maintaining a healthy balance. Each piece of this paper art is created in my home studio while my *wonderdogs* Aslan (and Blossom, who won't sit still long enough to be in a picture), my other helpers (who help with envelope and poster stuffing) and I listen to great music.

I love imagining who'll end up with each piece of Cheap Therapy. I hope you'll be one of those people soon.

### To help with that, here's some basic wholesale info -

**What's your minimum order?** \$50.00    **How simple is that!?**

**What are your S&H charges?**    Charges are: up to \$100 = \$9.95; up to \$200 = \$11.95; up to \$300 = \$13.95; more than \$300 = FREE S&H! I ship all orders via USPS Priority Mail with delivery tracking

**When can I expect to receive my order?**    Normally I create and ship within 3-4 weeks. When I receive your order, I'll send you a confirmation along with an estimate of when to expect your goodies.

**What kind of prepayment do you accept?**    I request prepayment on first orders. I accept checks (with a \$30 NSF fee if the unexpected should happen OUCH!), Mastercard, VISA and American Express. Net 30 is available on repeat orders **with approved credit**. If you'd like to request credit, thanks for providing me with three references.

**What if I have a problem with what you send me?**    The older I get, the more I realize that true guarantees are few and far between, but if you ever buy anything from me and are disappointed or dissatisfied - for any reason - just return the merchandise to me within 15 days. I'll promptly replace it or refund your purchase price. Your choice.

### How much does Cheap Therapy cost?
